**FAMILY TIME
TRAINING**
FAMTIME.COM

Family Time Training is a nonprofit ministry serving families and church leaders around the globe with the mission to train and equip parents and grandparents to pass the faith to the next generation in the home.

When the church and parents partner, we help build lasting ties that bind the hearts of children to their parents and every member of the family to Christ Jesus.

Our goal is to raise \$2,000 at our event - there will be events happening all over the country with this same goal! Please prayerfully consider a gift of \$250 or more. You will hear more about the ministry, the impact it has had on us, and an opportunity to give generously to the mission at our microevent!
